- An Academy with a Good Ofsted rating (September 2017) and excellent potential for the future
- An Academy with a truly comprehensive intake, playing a key role in our local community and with a strong foundation of moral purpose;
- An Academy that has at its heart a sense of ambition and determination to deliver excellent teaching, care and holistic school experience.

We will offer you:

- A very welcoming Academy where the development of every person matters.
- Hard-working, committed and aspirational staff and students.
- A fully established CPD programme.
- The whole-hearted support of Furness Academy's Leadership Team.
- A welcoming and dedicated Design and Technology department consisting of four motivated and experienced teachers, supported by one full-time and one part-time technician.
- A well-resourced department, comprising of seven classrooms, including two workshops and two catering rooms. We also have two prep rooms.

You will:

- Secure high quality teaching and learning and lead by own example in the classroom.
- Understand your accountability for the performance standards of your students.
- Make a sustained and well-informed contribution to the physics provision at the Academy as well as whole Academy improvement strategies.

Furness Academy is committed to safeguarding and promoting the welfare of its students. All applicants are subject to the requirements of the Safeguarding Children and Safer Recruitment in Education guidelines. This will include checks with past employers and the need for the successful applicant to hold or undergo a suitable enhanced DBS disclosure.
