

Required for September 2017
Science Technician
Job Reference Code: FA22/2706
Salary range: NJC 14 (£16,781) – 17 (£17,772) depending on experience
Full time, permanent post, term time only

Furness Academy is a large 11-16 mixed academy, located near the centre of the historic shipbuilding town of Barrow in Furness and close to the southern boundary of the Lake District National Park. Following a £22m new build the Academy occupies an attractive site, with state of the art facilities. As well as our scenic location and excellent facilities we offer our employees the opportunity to take part in European projects and a range of benefits including the free use of our onsite gym.

We are looking for a skilled and enthusiastic individual to work within the School's Science Department, to provide general support in the preparation and maintenance of resources and support to both staff and students to ensure effective support within the classroom. We are looking for a well organised and flexible person with good practical experience of working with chemicals and other apparatus.

The successful candidate will be:

- leading by example, through outstanding practice and professionalism;
- caring about students, their learning, and their futures;
- committed to your own personal development and to collaborative, consultative working.

Furness Academy is committed to safeguarding and promoting the welfare of its students. All applicants are subject to the requirements of the Safeguarding Children and Safer Recruitment in Education guidelines. This will include checks with past employers and the need for the successful applicant to hold or undergo a suitable enhanced DBS disclosure. The appointment will also be subject to two satisfactory references.

Closing date for applications: 12 noon Monday 10th July 2017
Shortlisting: Tuesday 11th July
Interviews: Tuesday 18th July 2017
