

**Required for September 2017  
Teacher of Chemistry  
Job Reference Code: FA13/2803  
Salary range: M1 – M6 depending on experience  
Full time, permanent post**

Furness Academy is a mixed comprehensive 11-16 academy with just under 800 students on roll. Following a £22m new build in 2013, the Academy occupies an attractive site, with state of the art facilities. Our employees receive a structured and enhanced CPD programme, the opportunity to take part in European projects and a range of benefits including the free use of our onsite gym and other facilities.

We are looking for a talented and inspiring teacher of Chemistry who is an enthusiastic and dynamic professional with excellent subject knowledge and a strong desire to engage students in learning. The successful candidate will be someone who can make an impact to the teaching of chemistry in the Academy by leading by example as well as being supportive of other colleagues' development in the department.

An inspiring approach to teaching with excellent communication skills, a passion for the subject and a commitment to promoting high standards is essential. We are seeking teachers who are resilient, highly driven and self-motivated, who will go the extra mile to ensure that students achieve beyond their own expectations. We welcome applications from NQT's.

**Further information on this role and Furness Academy can be found on our website at [www.furnessacademy.co.uk](http://www.furnessacademy.co.uk)**

**For verbal enquiries about this post, please contact the HR Officer, on 01229 484277**

Furness Academy is committed to safeguarding and promoting the welfare of its students. All applicants are subject to the requirements of the Safeguarding Children and Safer Recruitment in Education guidelines. This will include checks with past employers and the need for the successful applicant to hold or undergo a suitable enhanced DBS disclosure. The appointment will also be subject to two satisfactory references.
