Dear Parent/Carer

Your child has shown an interest in taking part in a visit to the Bay of Naples, Italy, during May half term 2019. The trip duration will be 5 nights/6 days. During our time there we will be visiting numerous, well known Geographical landmarks. Further information can be found on the attached sheet, along with a detailed provisional itinerary.

The purpose of this visit is to give students first-hand experience of some of the Geographical features, both physical and human, that they learn about within the classroom.

If you are interested in your child attending this trip, I would be grateful if you could complete the attached consent slip indicating your support along with a non-refundable deposit of £100. If this trip is unable to run, this will obviously be refunded. Payment should be made via ParentPay. If you are unable to pay by ParentPay, please contact the Finance Office.

The cost of the trip includes transport to and from the airport, flights, transfers in resort, full board (though drinks will need to be purchased), accommodation in a minimum 3* hotel in triple and quad-bedded rooms with en-suite bathrooms, excursions whilst in Italy and also travel insurance. Luggage allowance will be **CABIN (HAND) LUGGAGE ONLY**.

As we are looking at booking this trip many months in advance we are unable, at this time, to book flights, therefore more detailed travel arrangements and the final cost will be confirmed at a later date. While myself and the tour company have done everything we can to ensure that the cost of the travel is covered, it may become necessary to adjust the final price as flight times are published. Also, due to the nature of low cost airlines, we are unable to confirm as yet where the departure airport would be, though it is very likely to be either Liverpool or Edinburgh.

Provisional Outline Itinerary

DAY 1	Fly to Naples, visit Phlegrean Fields (a large super-volcano) transfer to Sorrento
DAY 2	Naples Underground City and Herculaneum
DAY 3	Vesuvius and Pompeii
DAY 4	Island of Capri
DAY 5	Amalfi coast
DAY 6	Sorrento and fly home

Please note that this is a provisional itinerary only, a more detailed itinerary can be found attached, though these may be subject to change depending on flight times, weather, availability and other factors beyond our control.

As this is an overseas trip it is important to emphasise that students will only be offered a place on the visit on the proviso that they maintain the following criteria:

- Maintain a high standard of behaviour throughout the school year
- Do not receive any exclusions from school

If students fail to meet the above criteria, then they will not be offered a place on the trip. Should students meet the criteria now, but fail to maintain this standard, the school reserves the right to withdraw the offer of a place. If this happens you will be entitled to a full refund minus the first two deposits, which is kept by the tour company, not the Academy.

Please return the completed form and deposit to the Finance Office by 30 September 2017
