Dear Parents and Carers

ROAD SAFETY

Once again, I would like to thank the vast majority of 'school run' parents and carers who continue to exercise safe, considerate and lawful practice with regard to dropping off and picking up their children at Furness Academy. Please continue to do this in the best interests of everyone's safety.

Regrettably, we have noticed a growing minority who are not being as considerate and are putting young people at risk of injury or worse. Areas where vehicle users should not park and wait are clearly indicated by the double yellow lines and the white marked zig zags leading to the pedestrian crossing, and under no circumstances is it acceptable to use the academy access road to carry out 'U' turn manoeuvres.

For information, areas to park and wait are clearly marked as white bays on Park Drive beyond the pedestrian crossings and if you want to drive on to the school site to wait you are more than welcome to use the top car park.

Thank for you cooperation and understanding in this matter.

Yours faithfully

Mr S P Laheney
Headteacher
