

Subsea, Ulverston Apprentice Recruitment

September 2021 Intake

Mechanical Engineering Apprentices

We are recruiting now for Level 3 Mechanical Engineering Apprentices at Siemens Subsea, Ulverston

- 4 Year Apprenticeship, starting September 2021
- You will work towards the Level 3 Engineering Fitter Apprenticeship Standard
- Your 1st year will be spent within a college environment learning hand fitting skills
- From year 2 you will gain further engineering knowledge and skills in our award winning Subsea Excellence Centre, whilst attending college on a day release basis

We will be holding some short virtual Apprenticeship Information sessions in February for you to find out more about our business, the apprenticeship and what it might lead to.

To register your interest in attending an information session or if you have any questions relating to the apprenticeship please email emma.bird@siemens-energy.com or colin.nash@siemens-energy.com

**Numbers attending the Information sessions will be limited, so priority will be given to those looking for an apprenticeship starting Sept 21*
