13 May 2021

Dear Parents and Carers

Face covering update

Following the announcements made on Monday by the Prime Minister and the subsequent Department for Education guidance, I can confirm that students will no longer be recommended to wear their face coverings in school from Monday 17 May 2021. I know this will be welcome news for the students as we begin to move a little closer to normality.

We will continue to ensure we maintain good hygiene and ventilation protocols and will make the most of our outside space where at all possible.

It is still important that we continue with our twice-weekly home lateral flow testing to ensure that we pick up any cases as early as possible and we must bear in mind that the reintroduction of face coverings may be advised for a temporary period in response to particular localised outbreaks.

Thank you, as always, for your cooperation.

Yours faithfully

Simon Laheney
Headteacher & Chief Executive Officer
