18 June 2021

Dear Parents and Carers

Face covering update

Following an increase in COVID-19 infections in Cumbria, and the subsequent advice and guidance from Public Health Cumbria, I am writing to inform you that there will be a return to the wearing of face coverings for staff and students in communal areas of the school building from **Monday 21 June**. Those students who are exempt will not be required to wear them, as previously agreed.

We will continue to ensure we maintain good hygiene and ventilation protocols and will make the most of our outside space where at all possible.

It is still important that we continue with our twice-weekly home lateral flow testing to ensure that we pick up any cases as early as possible.

Thank you, as always, for your cooperation.

Yours faithfully

Simon Laheney
